UNFAIR AND DECEPTIVE TRADE PRACTICES AND
DEMAND FOR JURY TRIAL

Plaintiff D. Robert Silber, P.A., by and through their
counsel, on personal knowledge as to their own actions and on
information and belief as to the actions, capabilities and motivation
of others, hereby allege as follows:

THE NATURE OF THIS ACTION

1. This action is necessitated by Defendant's blatant copyright infringement by their unauthorized use of Plaintiff's copyrighted material.

JURISDICTION & VENUE

2. This action is brought, and exclusive subject matter jurisdiction lies within this Court upon multiple grounds, including pursuant to the United States Copyright Act, 17 U.S.C. Sections 101 et seq., based on acts of copyright infringement committed in the United States (28 U.S.C. §§ 1331 and 1338(a)).

3. This Court has federal question jurisdiction over this matter pursuant to 28 U.S.C. § 1338(a), and pursuant to 17 U.S.C. § 410(d) and § 411.

4. This Court has personal jurisdiction over Defendant because the acts of infringement complained of are "tortious act[s]" committed "within this state" under Fla. Stat. § 48.193(1)(b). Defendant operates their website, offering goods and services, throughout the United States, including Florida, through which the complained-of acts of infringement take place. The Defendant's website, goods and services are freely accessible to Florida residents.

FACTS COMMON TO ALL CLAIMS FOR RELIEF

5. Plaintiff D. Robert Silber, P.A. is a professional association legally organized in the State of Florida.

6. Defendant operates their website, offering goods and services, throughout the United States, including Florida, through which the complained-of acts of infringement take place. The

Defendant's website, goods and services are freely accessible to Florida residents.

7. Plaintiff is presently unaware of the true names and capacities of Defendants sued herein as DOES 1 through 10, inclusive, and therefore sues said Defendants by such fictitious names. Plaintiff will amend this Complaint to allege the true names and capacities of such fictitiously named Defendants when the same have been ascertained. Plaintiff is informed and believes and based thereon alleges that each of the fictitiously named Defendants is responsible in some manner for the occurrences, acts and omissions alleged herein and that Plaintiff's damages were proximately caused by their conduct. Hereinafter all Defendants including Doe Defendants will sometimes be referred to collectively as "Defendants." For convenience, each reference to a named Defendant herein shall also refer to the Doe 1 through 10 Defendants, and each of them, as applicable.

8. Plaintiff is informed and believes and based thereon alleges that at all material times Defendants, and each of them, were facilitators providing enabling services, agents, employees, partners, joint venturers, co-conspirators, owners, principals, and employers of the remaining Defendants, and each of them, and are, and at all times herein mentioned were, facilitators providing enabling services, acting within the course and scope of that agency, employment, partnership, conspiracy, ownership or joint venture. Plaintiff is informed and believes and based thereon alleges that the officers, directors and/or managing agents of the Defendant business entities, authorized, directed and/or ratified the wrongful acts of the employees and representatives of said Defendants and, consequently, all of said Defendants are jointly and severally liable to Plaintiff.

PLAINTIFF'S REGISTERED COPYRIGHT

9. Plaintiff Silber wrote a series of Legal Documents to license to Internet Marketers and Websites. Plaintiff previously filed for registration of copyright with the United States Copyright Office (“USCO”) for the subject work, titled "Internet, Software And Product Legal Documents," pursuant to USCO Claim ID Number TX 6-739-695. Said copyright registration application has been fully completed and was submitted, effective as of May 29, 2003, including with full payment tendered of the service fee and deposit of the subject material -- all prior to the infringements set forth herein.

BACKGROUND AND NATURE OF THIS ACTION

10. On or about <insert date>, Plaintiff discovered that a copy of his copyrighted and registered work was, without his knowledge, license or authorization, being used by Defendant on Defendant's Website.
